

# Superior Tool Service

**The average tool can be resharpened  
5-10 times before needing to be replaced.**

- » Drills
- » End Mills
- » Countersinks
- » Reamers

*Simplified pricing structure  
No minimum order value  
Proven STS workmanship  
Fastest turnaround in the industry*

## Regrind Order Form

1. Request an STS Regrind Box by calling us at 800.428.8665.
2. Your Regrind Box will arrive with protective foam, return labels, and zip ties to ensure the Box is secure for shipping.
3. Package tools for regrinding in original or equivalent packaging to prevent damage.
4. Complete the Regrind Order Form.
5. Place the Regrind Box, Order Form, and your Purchase Order/Packing Slip in a cardboard box to avoid extra shipping. The Form and your PO must accompany your tools.
6. Ship to:  
Superior Tool Service  
722 E Zimmerly St  
Wichita, KS 67211
7. STS will quote after receipt and inspection of tools.
8. Regrinding to begin after tool inspection and quote approval. No prior quote approvals before inspection. No minimum order value required.
9. STS will complete your regrind and return ship.

\*STS is not responsible for tools received damaged and beyond repair due to poor packaging/shipping.
